Welcome! We are a family-oriented, pet-friendly campground just east of town. Close enough to go downtown and/or shopping in just a few minutes. We offer many choices to today's campers, such as: Tent sites with raised beds, patios & electric! RV sites you can pull-thru with a wide range of on-site amenities from water/electric/cable/wifi all the way up to and including sewer hookup on site, patio with patio furniture, a deluxe fire pit, a swing, a charcoal grill, or pick one of our Super Deluxe sites with a concrete pad & patio! With so many options, you can pick the site for you!! We also offer unique accommodations, such as KOA's Kamping Cabins and Deluxe Cabins, as well as Teepees! We also have a 24-hour laundry facility available, as well as a fully-stocked Kampstore to take care of anything you may have forgotten. We can also fill your propane so you're sure not to run out!

We invite you to try our Krossroads Café it is open daily for breakfast and supper. Oh the aromas you will take in will make your mouth water! Everything is made fresh – from the thick-sliced bacon and eggs to order to the hand-tossed pizza with fresh cut toppings! Everyone loves the in season Salad Bar…and don't forget to try Keith's Award-winning Chili! Many are known to take an extra helping home with them!

Take a stroll around the park and visit with other travelers – take in a game of giant chess or checkers – shoot some hoops – participate in a pedal kart race – swim in our salt water pool (in season) – feed & pet our miniature donkeys – sift for gems at our Hoosier Gem Mine – play a game of horseshoes – tak a ride on our Honor Train (in season, weather permitting) – create your perfect campfire as you make your very own campfire treats (s'mores & iron pies), then lay back & take in the stars! Oh what a stay!

Make your reservations to get the spot you want by (1) using the KOA App; (2) going online at terrehautekoa.com; or (3) calling us at (812) 917-5671 (during regular business hours). We do not take reservations via email. We're on your way….Come see us soon!

Terre Haute is alive with public sculpture

Consider a self-guided tour of public sculptures in Terre Haute. The Art Spaces collection is spread throughout the downtown, on college campuses and in city parks, and several offer a unique window into Terre Haute's cultural history. All are free of charge and may toured on foot, by bike or car.

Download a map from www.wabashvalleyartspaces.com or stop by the Art Spaces office at 669 Ohio Street for a free brochure and map. Each unique art work offer interest to people of all ages.

Two new sculptures were added in 2019:
Dreiser - Shadows of Meaning by Urban Rock Design, located at Vigo County Public Library's Main Branch at the Walnut Street entrance.
Our River - Our Future by Deedee Morrison, located on the campus of Indiana State University on 5th St. at the East Entrance of the College of Health and Human Services

Art Spaces is designing a downtown connection to the Wabash River through an arts-based urban design project called Turn to the River. Reconnecting to this vital natural resource is a priority throughout the community. Learn about the important role of the arts in urban design on the website. Art Spaces brings together people, business and art to build a vibrant city.

A tradition of excellence and service in the Wabash Valley since 1898. The Country Club of Terre Haute has been the place for fine dining, recreation and social activities for more than a century. Event facilities available to both members and non-members, along with a professional staff, a venue for every occasion.
About the Course
The Country Club of Terre Haute offers the finest 18-hole, par 71 golf course in the area. The current golf course was designed by William Diddel, a founding member of the American Society of Golf Course Architects. Diddel is considered one of the great golf course architects of America. The distinctive topography of the front and back nines adds to the challenging characteristics of the course. The natural setting, in conjunction with the contours of the land, enables the golfer to enjoy a course that is fair yet challenging.
A unique open-play policy makes the facility readily accessible to the membership. The PGA certified professional staff provides membership with a driving range, practice putting green, bag storage, club repair, lessons in a private or group setting, the latest in technologically advanced golf equipment, along with the most up-to-date golf attire, including such name brands as Polo, Nike, and Under Armour. A fleet of covered golf carts is also available for the members' convenience.

THJTA—Anyone for summer tennis?
(812) 240-8596
The Terre Haute Junior Tennis Association is entering its 34th consecutive year offering summer tennis camps, clinics, and tournaments for local and out-of-town players. The THJTA is the largest junior tennis program in Terre Haute and one of the premiere junior programs in the state of Indiana serving 390 unique players last summer. The THJTA received the prestigious Community Tennis Association of the Year Award in 2018 from the Central Indiana Tennis Association. Through our mix of three free morning tennis camps for beginning players at Terre Haute North High School, West Vigo High School, and Honey Creek Middle School, our afternoon camp for advanced players held at Terre Haute North High School, and our three USTA sanctioned tournaments, the THJTA is organized to serve all ages and ability levels from beginning 5 year olds on quick start nets to varsity level high school players. Sign-ups for all summer programs are on Monday, June 3rd. Morning and afternoon camps begin on June 4th. Please call Wes Kirk at 812-240-8596 with questions. You may also visit our website, thjta.com, to download our brochure listing all programs, dates, and pricing. We hope to see you on the courts this summer!

TERRE HAUTE Regional HOSPITAL

Located at 3901 South 7th Street in Terre Haute, Terre Haute Regional Hospital is a 278-bed Level II Trauma Center. Regional is the only full-service hospital in the area accredited by The Joint Commission and has provided quality care to the Wabash Valley community for 135 years — from its beginnings as St. Anthony's Hospital to the present day facility.

In 1882, St. Anthony's Hospital began as the only healthcare facility in the area. Together with the Sisters of St. Francis, St. Anthony's Hospital served our community until 1975 when it was renamed Terre Haute Regional Hospital. In 1979, a modern five-story hospital complex was built on the south side of Terre Haute to replace the original building.

Specialties & Services

Services provided by Terre Haute Regional Hospital include the region's only Level-II Trauma Center, cardiovascular services, including open-heart surgery and cardiac catheterization; oncology services, which include radiation therapy and outpatient infusion; labor and delivery, including a neonatal intensive care unit; an inpatient behavioral health unit; and other specialized inpatient areas, including intensive care and inpatient rehabilitation units. In addition, Regional offers fully-equipped operating and endoscopy suites for surgical specialties including neurosurgery, orthopedics, cardiovascular surgery, general surgery, urology, and gastroenterology. Regional has consistently reinvested in the community, upgrading and renovating to provide the best in patient care. Recent additions include a multi-million dollar investment in staff and infrastructure to bring a Level II Trauma Center to the Wabash Valley—the highest level of care available in a 75-mile radius.

Quality Care

Terre Haute Regional Hospital was the first Accredited Chest Pain Center in Terre Haute, and recently received reaccreditation from the Society of Cardiovascular Patient Care (CPC). Regional was the first hospital in Terre Haute certified in hip & knee replacement by the Joint Commission, and received recertification in 2017. The Commission has also awarded the hospital certification in the treatment of Sepsis. Regional Hospital is the only hospital in Indiana to receive this certification.

The hospital is a 2017 Press Ganey Guardian of Excellence AwardSM winner for Patient Experience in Outpatient Oncology.

Regional received two awards from Healthgrades in 2017. The Outstanding Patient Experience Award™. recognizes the hospital as among the top 15% of hospitals nationwide, and the Patient Safety Excellence Award™, places Regional among the top 10% of hospitals.
The Hospital was awarded an "A" for its commitment to keeping patients safe and meeting the highest safety standards in the U.S. by The Leapfrog Group. It is Regional's fifth consecutive "A" grade.

Terre Haute Regional Hospital is an organization dedicated to its Mission, Values and Vision and is committed to providing the highest quality, compassionate care to every patient, every time. Terre Haute Regional Hospital looks forward to continuing to serve its friends and neighbors and growing with the community.

Community Life

Visitors to Terre Haute can go for par at several city or county golf courses, or visit a work-class bicycle trail in a nearby county park, plus attend music and community festivals as well as spectator and participant sports.

In sports, Vigo County will be a hub of cross country and running events in 2019.

That includes the 2019 NCAA Division I National Championships along with the Under Armour Pre-Nationals Invitational and Nike Cross Country Regional Midwest Championships at the Lavern Gibson Championship Cross Country Course, east of the Terre Haute Regional Airport.

"We had 3,411 runners at the Nike championships event this year, which is the largest race we ever had, and we expect that to reach over 4,000 runners next year," said David Patterson, executive director of the Terre Haute Convention & Visitors Bureau.

The course will also host the Missouri Valley Conference Championships, the Indiana High School Athletic Association Sectional Championships and the IHSAA State Championship Finals.

In swimming, the Indiana State Masters Meet, will be held at the Vigo County Aquatic Center, 2230 Prairieton Road. It is slated for April 6 and 7.

The 92nd Annual Indiana Women's Bowling Championship Tournament, a five-week event, will be held from March 30 to May 5 at the Terre Haute Bowling Center.

Ten racing events are scheduled at the Terre Haute Action Track's 1/2 mile dirt track in the Vigo County Fairgrounds on U.S. 41, with the USAC National Sprint Cars, plus the World of Outlaw Sprint Cars scheduled for Oct. 11 and Oct. 12, 2019.

If baseball is your game, the Terre Haute Rex - the 2018 Prospect League Champions - begin their 2019 season on May 30. The summer collegiate league season runs through Aug. 6, with home games at Bob Warn Field, 931 N. First St.

Tourism is big business in Vigo County, generating $40 million annually, Patterson said.

If you want to get into the swing of the action, golf outings are scheduled through the season at Rea Park, the Terre Haute Country Club, Hulman Links, Idle Creek and Mark's Par 3.

For bicyclers, the 300-acre Griffin Bike Park features 16 miles of trails, provides a full-spectrum, destination-riding experience for bikers of all ages, skills and abilities. The park includes challenges such as a floating trail and water ramp. The bike park is located next to Fowler Park in Vigo County, about 11 miles south of Terre Haute off of U.S. 41.

Hybrids and mountain bikes are preferable; however, helmets are required. Adult supervision is required for ages 13 and under. Bring a bike light or head lamp to light the trail during evening rides. Check Griffin Bike Park's Facebook page for updated events or call 812-462-3392.

For the entire family, explore three stories of fun, laughter and exploration at the Terre Haute Children's Museum in the heart of the city's downtown at 727 Wabash Ave. There's also the majestic Swope Art Museum, 25 S. 7th St., known for its extraordinary collection of nearly 2,500 works of American art including paintings, sculptures, and works on paper from the 19th century to the present. The major strength of collection is

The rope course at the Terre Haute Children's Museum.

Star the cow visiting the Terre Haute Children's Museum.

American Scene Painting of the 1930s and 1940s, with work by artists such as Thomas Hart Benton, Charles Burchfield, John Steuart Curry, Edward Hopper, Reginald Marsh, and Grant Wood.

There's also the Terre Haute Symphony Orchestra. Formed in 1926, the city's symphony orchestra is the longest-standing professional orchestra in the state of Indiana. Visit www.thso.org to view upcoming events and concerts.

Food, culture and music is also featured throughout the year.

Terre Haute is home to WaterTower Estates, a new family-run winery at 525 W. Springhill Drive and features a boutique with unique gifts. There's also The Sycamore Winery, also a new family-operated winery located at 1320 Durkees Ferry Rd, West Terre Haute. It features a tasting room and event center that sits on a beautiful 60-acre estate with walking trails and scenic lake views near Terre Haute.

For beer lovers, there is the Terre Haute Brewing Co., 401 S 9th St., near Terre Haute's downtown, has a long history as being one of the original nine commercial breweries in the U.S. and the second oldest. The original historic building and company name was founded in 1837. It features a large tap room with a new bar and elevated seating area. There's even a larger event area, complete with a second bar, for special events and music.

The Terre Haute Farmers Market has a winter market season held on the first Saturday of each month, from November to May. It is held inside The Meadows center, 2800 Poplar St., in front of Stein Mart. The summer season, which starts in May, is held every Saturday from 8 a.m. to noon. Vendors bring fresh produce as well as homemade breads and baked goods, jams, jellies as well as grass-fed beef, crafts and garments.

The annual Banks of the Wabash River Festival at Fairbanks Park draws many people to the park next to the state's largest river in late May and early June, while the annual Fourth of July celebration features fireworks lighting up the riverbanks.

Strawberries, ice cream, biscuits and whipped cream are a June hit just a few blocks away on Ohio Street near Sixth Street during the annual Strawberry Festival at First Congregational Church, with tents and seating. Most visitors try "The Works" - a fresh biscuit topped with ice cream and covered in strawberries and juice, topped with whipped cream, which is especially tasty on a hot, sunny day.

Just three blocks down along Ninth Street, the St. Benedict's Community Festival in early July offers family games, casino games, food booths, a beer garden, raffle and silent auction, as well as musical entertainment. The event raises money for local charitable work, like the parish's soup kitchen.

On September 13-14, the Terre Haute German Oberlander Club hosts the 47th Oktoberfest at The Meadows shopping center. The event features polka music and dancing - lots of dancing - as well as traditional German costumes and a menu of schnitzels, brats, sauerkraut, kartoffelsalat (authentic German potato salad) and more!

Piano sculpture at Crossroads Plaza honoring the men and women in the Wabash Valley Musicians Hall of Fame.

For entertainment, September 13-14 will bring the Blues at the Crossroads music festival to Terre Haute's downtown, with the corner of 7th Street and Wabash Avenue closed to traffic. That intersection, designated in a state marker, is considered the "Crossroad of America," where U.S. 40, the former "National Road" - which opened the west for settlement - and U.S. 41 - a major north-south route - were designated as part of the original federal highway system in 1926.

The two-day Blues at the Crossroads features a large stage, so bring your lawn chairs for extra seating and feel free to wander downtown among food vendors and shops that stay open during the event. Another stage is located nearby inside The Verve nightclub, whose owner started and organizes the annual music festival.

Also in October, treat your taste buds at the Altrusa Chili Cook Off, where dozens of competitors prepare and share their chili recipes in exchange for votes while raising money to support literacy programs. Go to www.altrusaofterrehaute.wordpress.com to learn more about the 2019 event.

October includes the Indiana State University homecoming parade stretching through downtown on Wabash Avenue featuring colorful floats, boisterous bands, candy for children and celebratory fanfare in advance of the afternoon football game across town at Memorial Stadium, near the intersection of Wabash and Brown avenues. A variety of food and beverage vendors and sometimes impromptu gatherings line the street all the way to the stadium, where a tent city of hospitality also awaits.

Autumn weather also brings the annual Gathering of the People Powwow to the Vigo County Conservation Club and Pioneer Days at Fowler Park. Both events are educational, family-friendly and full of fun and cultural sharing.

The Miracle on 7th Street, which includes a "Light Your Way" Christmas Parade sponsored by Saint Mary-of-the-Woods College, is another popular downtown event set for the first Friday and Saturday in December. A winter wonderland comes alive as Christmas trees decorated by not-for-profit organizations light up the street, storefronts compete for the best window displays and an open-air market features vendors with holiday gifts waiting to be wrapped. It's easy to get into the holiday spirit as you mingle with other shoppers in a magical wonderland.

And for holiday decorating ideas, a drive through Deming Park, on Terre Haute's east side, is a visual treat where nonprofit groups present creative holiday-themed shelters. The groups have used themes ranging from pop culture icons such as Star Wars and Peanut cartoons to snowmen, gingerbread people and angels.

For those interested in history, Terre Haute has a lot of history to offer. Opening in 2019, the 34,000-square foot Vigo County History Center on Wabash Avenue will showcase its collections of more than 100,000 vintage artifacts and historic memorabilia, in addition to interactive exhibits and a old-fashioned Coke-themed soda fountain.

Other sites include the gold-domed Vigo County Courthouse and the home of political activist/trade unionist Eugene V. Debs on the campus of Indiana State University. While at ISU, visit Hulman Center, home of the Indiana State Sycamores, where stands a larger-than-life bronze statue of Sycamore and NBA legend Larry Bird commemorating his college playing days in Terre Haute. It's a popular photo op

For time in nature, the 2,600-acre Wabashiki Fish & Wildlife Area features trails through natural settings and a lookout at Dewey Point. Terre Haute has several city parks, with its largest being Deming Park, which features a unique train ride for youngsters. Vigo County's Fowler Park offers lake swimming, as well as camp grounds and trails. Other trails can be found at Hawthorn Park, behind Rose-Hulman Institute of Technology.

General Business Information

A visit to downtown Terre Haute in 2019 may reveal a plethora of construction activity geared toward a new $25 million convention center.

That anticipated project will bring two new downtown parking garages, along with a new downtown hotel, all in support of the 42,800 square-foot new convention center, to house the Larry Bird Museum, the only museum to be sanctioned by the basketball legend in the Hoosier state. The museum will be located on the building's southeast corner.

Bird played for Indiana State University from 1976 to 1979, when ISU lost to Michigan State 75-64 in the NCAA tourney championship game. Bird was the National Player of the Year that season, when the Sycamores finished 33-1. Bird wore No. 33 at ISU, which the university has since retired.

After completing his college career at ISU, Bird went on to become an NBA all-star with the Boston Celtics, where he led the Celtics to three NBA championships. He was also an Olympian and an Indiana Pacers NBA coach and executive. In 2013, a large bronze statue of Bird was unveiled in front of ISU's Hulman Center.

The new convention center's main area will hold up to 1,000 people in a theater seating configuration. The center will have up to six different configurations. Construction is slated for completion in late 2020 or in the first quarter of 2021.

Another new venue in Terre Haute's downtown is the Vigo County History Center, at 929 Wabash Avenue.

Ken Ramsay, pictured, and Joe Everhart renovated the former Simrell's building which is now home to Bar Bosco on south Seventh Street.

The unique building features an exhibit telling the story of the "Birthplace of the Coke Bottle." The now worldwide recognized bottle was created in 1915 by The Root Glass Company, which won a competition in which they created the glass Coke bottle's distinctive contoured design,

The history center building has its own history. It was built in 1895 by the Ehrmann family, housing the Ehrmann Manufacturing Co., which produced pants, overalls, shirts and jackets. Renowned poet Max Ehrmann worked in the family business as the company's credit manager and attorney.

In 1940, the Ehrmann building was sold, and it housed a variety of businesses until it became the Glidden Furniture store in 1970. The Vigo County Historical Society purchased the three-story building in 2012. Other museum exhibits include River, Roads & Rails; Business & Industry and Main Street. There's also Historic Hauteans Gallery; Art & Entertainment; Clothing & Textlies; County History and Military History.

An auditorium on the third floor can hold 130 people and event center can seat 100 people for dinners and banquets.

Brent A. Barnhart, president of KJB Theaters, has restored an original big screen — about 80 feet wide and 35 feet tall, sitting about another 15 feet off the ground. The new theater is on the site of the former United Artists drive-in, closed in 1985.

It includes a new concession stand, projection and box office building, bringing movies under the stars once again in a novel experience for avid movie enthusiasts, with parking for 555 cars.

Bar Bosco, at Seventh and Deming streets, is located in a restored historic Terre Haute building, with a taste of northern Italy. Step inside and a 34-foot long marble top bar, with 30 chairs, spans deep into the building over an original terrazzo floor. It points to a second bar, about 12 feet in length, with five more chairs, that fronts an expresso machine and a restored, lighted, framed mirror. Overhead, a restored tin roof is painted a copper color, matching copper-top round tables aside of the long bar.

The business has plans to open the Italian restaurant - Alimentari Da Pesavento - which translates as "food from Pesavento," as well as a retail section to sell Italian breads and house-made pasta and sauces next to is restaurant.

A new Home2 Suites by Hilton hotel is near Margaret Avenue and U.S. 40/Indiana 46. The all-suite hotel has an in-room kitchen, plus a work area and media hub. Amenities include Wi-Fi, pool and deck, fitness room, guest laundry, grilling patio, pet-friendly rooms, outdoor lounge and EPA WaterSense fixtures

In need of home repairs? A second Menards near South U.S. 41 and Woodsmall Road opens this year. The 207,469-square-foot store with a 48,970-square -foot outside warehouse, is the company's second large hardware store in Vigo County. The county also sports a large Lowe's Home Improvement store along South U.S. 41.

In business, Pyrolyx AG, one of the world's largest producers of recovered carbon black from scrap tires, begins production this year. The $30 million project will produce around 13,000 metric tons of carbon black, recycling 4 million scrap tires in the U.S. annually. The company's first plant was opened in 2012 in Germany.

Select Genetics now has the largest turkey hatchery in the world, following a $30 million project in the Vigo County Industrial Park. The 117,824-square-foot facility will initially hatch 41 million poults a year, with a full capacity at 60 million poults.

Saturn PetCare, the largest private-label, pet food manufacturer in Europe, began work this year on its first U.S. production facility at the Vigo County Industrial Park. The company, which is headquartered in Bremen, Germany, and is a subsidiary of the Heristo Group, will invest more than $38 million to purchase, renovate and equip a more than 350,000-square-foot facility in the industrial park, south of Terre Haute.

The new facility will initially house production of wet pet food for cats and dogs in aluminum trays.

Steel Dynamics acquired CSN $400 million in cash, inclusive of $60 million of normalized working capital. The acquisition expands Steel Dynamics' annual flat roll steel shipping capacity to 8.4 million tons and total steel shipping capability to 12.4

million tons.

The Vigo County facility has an annual capability to produce 1 million tons of cold roll steel, with galvanizing capacity of 360,000 tons.

Terre Haute and Vigo County are continuing their efforts to land a casino.

Those efforts got a boost when Spectacle Gaming LLC acquired the two Majestic Star casino licenses located in Gary, Indiana.

Spectacle, whose leading partners include Terre Haute businessman Greg Gibson, has discussed moving the casinos from their Gary location on the harbor on Lake Michigan.

One would move to Terre Haute. State Sen. Jon Ford has been among those championing an effort in the Indiana General Assembly to allow that to happen. The proposal to move one of the casinos to Terre Haute is currently moving its way through legislature. A final vote is expected soon.

Groundbreaking for the new USA Pyrolyx plant in the Fort Harrison Business Park.

The VCSC is developing a comprehensive and multiyear strategic plan. Over 45 community meetings have been held at all VCSC school buildings, higher education institutions, hospitals, trade unions, and other organizations and businesses around the community. Community members contributed feedback about strengths and areas for opportunities and growth within the VCSC. Stakeholders responded that the top positive aspects of the VCSC include: great teachers, security officers, community involvement, community outreach, and quality curriculum. The strategic planning process has also engaged community members on specific task force committees. Community stakeholders have been invited to collaborate and co-design activities in the areas of communication, curriculum and instruction, health, wellness, and safety, resource management, talent development, and co/extracurricular programs. The groups are assisting with the development of goals and action steps to help formulate a strong plan that will support all students and guide the VCSC in decision-making in the upcoming years.

The VCSC has had a B letter grade in the Indiana Department of Education accountability system for the past five years. Twenty of the 28 VCSC schools are in the A and B letter grade categories. In addition, Dixie Bee Elementary was awarded the Four Star School Designation by the Indiana Department of Education due to an A letter grade and top ISTEP+ scores in both English/language arts and math.

Since the inception of IREAD-3, VCSC students have performed above the state average. Using the Indiana Urban Schools Association for comparison, among the top ten schools by enrollment, VCSC students have had the highest performance on IREAD-3 for the past six years.

On the Spring ISTEP+ 2018, the VCSC improved or remained the same in 11 out of 18 tested categories in English/language arts, math, science, and social studies. In the Indiana Urban Schools Association, among the top ten schools by enrollment, VCSC students had the highest overall performance score in English/Language arts and the second highest score in mathematics. In English/language arts, VCSC students had the highest percent passing rate at grades three, four, five, seven, eight, and ten. In mathematics, VCSC students had the highest percent passing rate at grades three, four, five, and ten.

The VCSC has begun early implementation of the Graduation Pathway Requirements as approved by the Indiana State Board of Education in December 2017. Students in the graduating class of 2023 must satisfy three Graduation Pathway Requirements: high school diploma, employability skills, and postsecondary-ready competencies. Students graduating in 2019, 2020, 2021, and 2022 may satisfy graduation requirements by either passing the current graduation qualifying exam (ISTEP+10) or completing the new Graduation Pathway Requirements.

In cooperation with the Mayor, Vigo County Council, the Vigo County Sheriff's Department, the Terre Haute Police Department, and the Prosecutor's office, the VCSC has implemented a School Protection Officer program at every school. Security kiosks have been installed in all 28 schools with a police officer to maintain a high level of school security.

In terms of student services, the VCSC increased the number of school nurses from five to ten. The VCSC also increased the number of behavioral interventionists from three to 16. The district also increased the number of school counselors from 38 to 43, and increased the number of school protection officers from 30 to 38.

The VCSC has placed a special emphasis on early childhood learning. The VCSC has 10 half day preschools at the Title I schools and four preschools/daycare programs at West Vigo High School, Booker T. Washington Alternative School, Riley Elementary School, and Lost Creek Elementary School. Also, Reading Recovery is offered in Title I schools to support the reading success of first grade students.

The VCSC has a strong Career and Technical Education program. All VCSC students experience Business Education, Family and Consumer Sciences Education, Engineering/Technology Education, and Exploring College and Careers in middle school. Students explore 26 career pathways during high school while re-enforcing employability skills. The VCSC has a strong focus on dual college credit and industry certification to prepare students for post-secondary education, high-skill, high-wage, and high-demand careers.

The VCSC was awarded a four-year Lilly Endowment Comprehensive Counseling Initiative for $1,392,204.00. The grant period extends from July 1, 2018, to June 30, 2022. A team of administrators and counselors wrote the grant that focuses on college and career guidance, social and emotional learning, and academic performance. The grant supports the American School Counselor Association (ASCA) National Model.

The VCSC was selected by the Indiana Department of Education (IDOE) as one of three partner districts for the Project AWARE Grant. The VCSC will receive $566,423.00 for each of the five years, totaling $2,832,115.00. The VCSC is working with the IDOE and Hamilton Center, Inc. to increase and support school-based mental health services. In partnership with IDOE and the Indiana Division of Mental Health and Addictions (DMHA), the VCSC will collaborate with local mental health agencies to establish a community approach to supporting the whole child.

Rose-Hulman Institute of Technology is among the nation's best undergraduate engineering colleges, being ranked No. 1 by U.S. News & World Report for the past 20 years in a row. Our students earn degrees in engineering, science and mathematics, opening doors to the best graduate schools and successful, fulfilling careers. We are proud of our alumni – who are some of the top achievers in their fields – and welcome them back to campus each year for Homecoming, when we celebrate generations-old traditions and also what's new on our ever-evolving campus.

Our scenic campus sits on rolling hills on the east side of Terre Haute, Indiana, on U.S. 40. It features the spectacular Mussallem Union, which features rooms available for public events and includes delicious meals prepared by Bon Appetit, which the public is invited to enjoy. Our campus also features a beautiful performing arts building, Hatfield Hall, where the community is invited to experience world-class performers such as STOMP, the Russian National Ballet and other outstanding acts. Our combined Kremer and Branam innovation centers provide a hub for creative student activity and hands-on learning experiences, and our beautiful White Chapel, overlooking Speed Lake, is a perfect venue for weddings.

We compete in the Heartland Athletic Conference in 10 men's and women's sports. Our teams feature excellent student athletes. We have crowned at least one Academic All-American athlete for 33 consecutive years.

We are proud of our students, faculty, alumni and staff and are pleased to be a vibrant part of the Terre Haute and Wabash Valley communities.

Indiana State University is grounded in 150 years of tradition, service and commitment. We offer an academically challenging, affordable education. Forbes has recognized Indiana State as one of America's Top Colleges, and Princeton Review has recognized State as among the best in the Midwest. Our student body represents 52 states and territories and more than 72 countries. We offer what students are looking for to be successful in their career pursuit, with five academic colleges, a wide range of programs, and hands-on learning. Employers dream of hiring State grads. That's because career-prepping experiences are built into every academic program, and 2017 graduates had a 94% placement rate. We take great pride in preparing our students with skills necessary to create change in the community, the country, and the world.

BLUE MAKES INDIANA **STRONGER.**

Find out what goes into State's 94% placement rate during a campus visit.

The Office of Admissions will arrange a visit and tailor the day to meet your particular needs.

High school students are encouraged to bring their families.

h and Wildlife Area

The Wabashiki Fish and Wildlife Area, an Indiana Department of Natural Resources Division of Fish and Wildlife managed property, contributes to the public lands available to the citizens and visitors of the Wabash Valley. The area serves as part of the Healthy Rivers INitiative (HRI). HRI is Indiana's largest land conservation initiative. It includes a partnership of resource agencies and organizations who are working with willing landowners to permanently protect over 43,000 acres located in the floodplain of the Wabash River and Sugar Creek and over 26,000 acres of the Muscatatuck River bottomlands.

Dewey Point, a Vigo County Parks and Recreation Department managed property named for Susie Dewey, is located at 110 E. National Avenue in West Terre Haute, IN and serves as the primary trailhead and access point to the Wabashiki Fish and Wildlife Area and the Wabashiki Trail. Dewey Point currently offers parking, viewfinders, restrooms, and a shelter with plans to construct a canoe/kayak launch, and install interpretive signage. The Wabashiki Trail, situated on top of a US Army Corps of Engineers levee and an agricultural levee, currently includes five miles of multi-modal trails that take the user through different scenic areas as well as along the Wabash River.

While at the Wabashiki Fish and Wildlife Area, visitors can enjoy hiking, biking, bird watching, fishing, hunting, canoeing/kayaking, native gardens, and many public recreational programs offered through the Vigo County Parks and Recreation Department. The wetland area offers many benefits to wildlife, waterfowl, and people. These benefits include: water quality improvement and sediment filtration, habitat for wildlife, flood reduction, water supply, opportunities for recreation, and beautiful scenery.

Dewey Point and the Wabashiki Trail have been developed and are maintained through the collaborative efforts of the Vigo County Parks and Recreation Department, the Indiana Department of Natural Resources Division of Fish and Wildlife, Wabash River Development and Beautification, Inc. (RiverSCAPE), Indiana State University, Vigo County, the City of Terre Haute, the Town of West Terre Haute, INDOT, the West Terre Haute Levee Association, Wabash Valley Community Foundation, and many other generous organizations.

DUKE A BENNETT
Mayor

Situated on the banks of the Wabash River, Terre Haute is a metropolitan hub of activity for those who live, work and play in West Central Indiana. Located 70 miles west of Indianapolis, Terre Haute is within a three-hour drive of Chicago, Cincinnati, Louisville and St. Louis. Quality of life is an important part of Terre Haute - a community revitalized with new downtown development, growing tourism assets and nationally-recognized parks and recreation and higher education institutions.

With numerous opportunities for outdoor recreation, including the nationally-recognized Griffin Bike Park, and thriving museums, many of which are in downtown Terre Haute, Vigo County provides a variety of things to do and places to go for residents and visitors alike. A growing and prosperous community, Terre Haute has attracted business and industry, boasting excellent access by interstate highways, railroad and the Terre Haute International Airport. The city also provides a high-quality workforce for a wide variety of employers and is home to four institutions of higher learning: Indiana State University, Ivy Tech Community College, Saint Mary-of-the-Woods College and Rose-Hulman Institute of Technology. Terre Haute is uniquely positioned for progress.

Terre Haute's greatest asset, however, has always been the people. It is known for its friendly, welcoming atmosphere. Come see for yourself! Visit Terre Haute and experience all that this city has to offer.
